FEDERAL RESERVE DISTRICTS AND PRICES FOR UNCUT CURRENCY
ANNOUNCED BY THE BUREAU OF ENGRAVING AND PRINTING

Continuing a tradition begun in 1935, the Bureau of Engraving and Printing offers uncut currency for sale to the general public. These unique items represent the highest quality in engraving craftsmanship and are a source of education and conversation. Prices for uncut currency and the Federal Reserve Districts available for Series 1985 notes are listed below.

<u>One (\$1) Notes</u>	<u>Visitors' Center</u>	<u>Mail Order</u>
4-subject	\$ 7.50	\$10.25
16-subject	21.50	28.00
32-subject	40.50	47.00

<u>Two (\$2) Notes</u>	<u>Visitors' Center</u>	<u>Mail Order</u>
4-subject	\$12.00	\$14.75
16-subject	38.50	45.00

[Note: Two (\$2) Notes are not available in 32-subject sheets].

The 4-subject sheets of uncut currency are arranged in a 4-note column and are attractively displayed in a numismatic souvenir folder. Interesting facts about the dollar and its design are described in the folder. 16- and 32-subject sheets are framed in a black cardboard mat with "The Bureau of Engraving and Printing" embossed in gold across the bottom. The 16-subject matted sheet measures 14 1/8" by 24 5/8", and the 32-subject matted sheet measures 25 1/2" by 25 3/4". The larger sizes are ready to hang or frame, and all are conversation pieces.

Uncut currency sheets may be purchased, in person, at the Visitors' Center or through the mail. If you are visiting our Nation's Capitol, stop by the Bureau of Engraving and Printing to enjoy our tour, and also enjoy a discount when purchasing uncut sheets of currency (see price list above). The Visitors' Center is open each weekday from 8:45 a.m. to 2:45 p.m. The Center is closed on weekends and on all Federal Government holidays. The Bureau is convenient to a metro stop (Smithsonian, Independence Avenue exit) and is located at 14th and C Streets, S.W. The entrance to the Visitors' Center is on Raoul Wallenberg Place, S.W., between Independence and Main Avenues, S.W.

-- MORE --

When ordering uncut currency by mail, send only money orders, bank-type cashier's checks, and certified checks for the exact amount. Each sheet of currency will be shipped, insured, in a separate package. Customs regulations and prohibitive mailing costs prevent the Bureau from accepting orders addressed to customers outside of the United States or Canada. Send all mail orders to:

Bureau of Engraving and Printing
Mail Order Sales, Room 602-11A
14th and C Streets, S.W.
Washington, D.C. 20228

Each month the Bureau features uncut currency sheets from a different Federal Reserve District (bank) for sales of uncut sheets of one (\$1) notes. When all 12 banks have been offered, a make-up month allows collectors to catch-up if they have missed a month. Sales of uncut currency sheets at numismatic and philatelic shows will feature the same bank as the Visitors' Center and mail order sales. The series of the \$1 uncut sheet is 1985.

Fractional Currency Souvenir Card
Debuts at FUN

As the Constitution marked the beginning of a United States, the printing of Fractional Currency marked the responsibility of the Bureau of Engraving and Printing (BEP) to furnish our nation with security documents. It is, therefore, fitting that we include a replica of a note of this period, in a series honoring the Constitution.

This souvenir card features a 50¢ Fractional Currency note of the fifth issue. These notes were among the first security documents printed by BEP during the early years of the Civil War, and were used to replace coins which were hoarded when banks suspended specie payments. The Acts of January 14, 1875 and April 17, 1876, authorized the redemption of Fractional Currency in silver coin and the shortage ended.

BEP is featuring its third Fractional Currency note in a series of ten at the Florida United Numismatists (FUN) convention to be held in Lake Buena Vista, Florida, on January 7-10, 1988.

A live demonstration of the operation of a nineteenth century Spider press will accompany the Bureau exhibit. A limited number of handprints, featuring the collage of state shields, pulled during this demonstration will be sold for \$50 on each day of the convention. Due to the small number of handprints, a raffle will be held to determine who will be eligible to buy them. The practice of raffling and selling the handproofs began at the Great Eastern Numismatic Association Exhibition held in September. Attendees may enter once for each drawing and must be present to win.

**BUREAU TO SET 1989 EXHIBIT SCHEDULE
BY MAY 15, 1988**

"The BEP [brought] a fabulous display [that made] our show an outstanding success" said M.F. Kendrick of the Hawaii State Numismatic Association (HSNA). Participation in this event brought the HSNA front page coverage in the Honolulu Star Bulletin, as well as coverage on two leading television stations. Other numismatic and philatelic organizations can also benefit, in terms of increased attendance and media coverage, from the Bureau's participation. Ask the Bureau to participate in your numismatic and philatelic exhibitions for the 1989 Fiscal Year, which begins October 1, 1988 and continues through September 30, 1989. Requests for Bureau participation must be received in writing by April 1, 1988, to be eligible for consideration. Director Robert J. Leuver anticipates announcing the exhibit schedule by May 15.

The Bureau will continue the tradition, of issuing a souvenir card for each show. This tradition affords the public an opportunity to purchase souvenir cards which feature replicas of historical currency notes and stamps. The timeless art and integrity of hand-engraved original dies are used to create the Bureau's finest collectibles. The artistry, historical and educational value of this product is a focal point of the Bureau's exhibit. In addition to the special souvenir card produced for the show, the Bureau may offer one or more of these additional items for sale: the engraved "Spider Press" print, uncut sheets of currency (4-subject \$1 and \$2 sheets, 16-subject \$1 and \$2 sheets, and 32-subject \$1 sheets), shredded currency, and other engraved prints.

The Bureau's exhibit will feature a display of rare specimens of antique currency or postage stamps, such as the exiting Billion Dollar Display, or the beautiful unperforated sheets of Graf Zeppelins. The sponsoring organization is expected to provide the space (450 square feet normally and 1200 if the Spider Press is provided) and a maximum amount of support and protection for the BEP exhibit.

Sponsoring organizations should submit their requests for participation to Robert J. Leuver, Director, Bureau of Engraving and Printing, Washington, D.C. 20228, by April 1, 1988, for consideration in the FY '89 program. Each request must contain the following information to ensure maximum consideration:

- 1) Sponsoring organization: Name and address.
- 2) Chairperson: Name, address, and telephone number.
- 3) Specific dates of show
- 4) Exact location of show site.
- 5) Subject matter:
 - a. Show theme or specific event title.
 - b. Celebration of a particular anniversary and/or other significant or unique events.
 - c. Forum speaker requested: YES or NO (if YES, provide suggested subjects).
 - d. Other speaker requirements (opening ceremony or banquet, etc.), suggested subjects (if any).
- 6) Anticipated attendance:
 - a. Past public attendance figures and estimate for coming year.
 - b. Anticipated number of bourse dealers.
- 7) Security coverage: Be specific concerning security provided by the sponsor.
- 8) Spider press (specifically requested?): YES or NO.
- 9) Actual number of square feet to be allocated:
 - a. If spider press is exhibited; or
 - b. If the spider press is not exhibited.
- 10) Other requests or relevant information.
